Aishwarya vs Billo

Aishwarya
Sakhuja

Aishwarya Sakhuja who plays the mature daughter-in-law Toasty in *Saas Bina Sasural* is one fun loving girl in real life. And her partner in crime is her little canine friend Billo who she is often see-

ing having a tug of war with on the sets of the show as the little dog just doesn't let go of her *sari pallu*. "Billo is a huge stress buster and makes me forget about everything around," says she. We hear that the actress is an animal lover. Though not an active member of any animal rights organisation, she likes to help stray animals by providing them with proper food and immunisation.
